

**ZIMMERMAN SUES NIXON.**

**Files Two Suits Against His Syndicate Associates.**

J. Fred Zimmerman, theatrical manager, filed two suits in equity yesterday in the Philadelphia Court of Common Pleas against William F. Nixon and other managers with whom he had been

associated many years in the so-called theatrical syndicate.

He charges that they conspired to oust him as Director and Vice President of the companies controlling the Forrest Theatre, Philadelphia, and the Academy of Music, Baltimore, by a grouping of the majority stockholders. They ousted him out of office last January. He is a minority stockholder, with between 25

and 33 1/3 per cent. of the stock.

The defendants in the suit concerning the Forrest Theatre are the Nixon and Zimmerman Theatre Company, the Forest Street Theatre Company, Henry P. Kullback, manager, and J. H. Martin, Abraham L. Finkler, Harry Nixon, Alf Haysman and James Goodman. These suits represent a suit for damages which Mr. Zimmerman has instituted against Mr. Nixon.
